CAREER OBJECTIVE

Motivated and detail-oriented aspiring Software Developer with a strong foundation in programming and web technologies. I aim to leverage my technical and interpersonal skills to create impactful digital solutions in a collaborative, growth-driven environment.

SKILLS

- **Programming Languages:** Proficient in C, Java, and Python for building logic-based and OOP applications.
- **Web Technologies:** Skilled in HTML, CSS, JavaScript with experience using ReactJS and NodeJS to create responsive, dynamic web interfaces.
- **Tools and Platforms:** Hands-on experience with GitHub for version control and Firebase for backend services and hosting.
- **Soft Skills:** Strong problem-solving ability, effective time management, attention to detail, and adaptability to fast-paced environments.

EDUCATION

- **Master of Computer Applications (MCA)**   **2024 – Present**
  Kongu Engineering College, Erode
  CGPA: 8.51

- **Bachelor of Computer Science**   **2024**
  Thiagarajar College of Arts and Science, Madurai
  CGPA: 7.49

- **Higher Secondary**   **2021**
  Krishnammal Ramasubbaiyer Higher Secondary School, Madurai
  Percentage: 88.2%

- **SSLC**   **2019**
  B.M.S. Vidhyalayam Matriculation School, Madurai
  Percentage: 85.2%

PROJECTS

On-Stream vending for Construction raw materials

- Designed and implemented a role-based web portal (Admin/User/Vendor) using HTML, CSS, and PHP.
- Enabled real-time product updates, order placement, and vendor interaction with status tracking.
- Built a secure Admin dashboard to manage users, inventory, and overall system control.

On-Stream Portal for Paint Shop

- Developed an interactive single-page application using ReactJS with Firebase Authentication and Firestore DB.
- Features included product browsing, order placement, stock tracking, and customer history.
- Applied component-based design and state management using React Hooks.

AREAS OF INTEREST

- Software Web Application Development
- Full Stack Development
- Cloud Computing

CERTIFICATIONS & AWARDS

- GitHub Foundations Certification
- Java Programming – Guvi Platform
- Typewriting – Certified with Distinction in both Junior and Senior grades.
- Oracle Cloud Infrastructure foundations.
